2. Current Facility
 1. Existing Facility and Site
 2. Current Facility & Staff's Needs & Wants
3. Funding Options
4. Proposed Options
 1. Options A, B, C, D and Conceptual Cost Estimates
 2. Possible Sites to Relocate Park Maintenance, Building Systems, and/or entire PW Facility
 3. Conceptual Schedule
5. Questions and Answers

Appendix - Vehicle/Equipment Inventory

NAVIGATE's Scope Of Work

1. Tour the existing Public Works Facility.
2. Meet with staff to assess current building needs and budget available.
3. Prepare two estimates and total program budget that evaluates all the required costs to implement a new building on City owned land and renovating the existing building to meet the needs.
4. Perform space needs analysis to determine current and future use.

Current Facility Site Plan at Vlasis Park

- The Public Works building was constructed in 1968.
- The Parks building was built in 1984.

- New Staff Parking Lot
- Emergency Standby Generator

\$ 16.8M total program budget
+ site acquisition costs

Does not include demolition cost of existing facility.

The background of the slide features a faded, high-angle view of architectural blueprints spread out on a surface. A silver-colored pen is positioned diagonally across the upper right portion of the image, its tip pointing towards the top right corner. The blueprints show various geometric shapes, lines, and some faint text, typical of a site plan or building layout.

Possible Sites to Relocate Parks Maintenance, Building Systems, and/or entire PW Facility

- Space needs - approximately .5 - 1 acre
- Only looked at sites within Ballwin city limits

920 Kehrs Mill Road (Wild Horse Fitness)

- Size: 1 acre
- Price: \$2.7 Million

14931 Manchester Road

- Size: .5 acre
- Price: \$775,000

15238 – 15266 Manchester Road

- Size: 2.32 acres
- Price: \$2 Million

15200 Manchester Road

- Size: 1.24 acres
- Price: \$2 million

105 Lock Drive

- Size: .5 acre
- Price: \$310,000

14931 Manchester Road (Not For Sale)

- Size: 7.94 acres
- Appraised Value: \$3.6 Million

530 Ballwin Commons (Not For Sale)

- Size: 2.45 acres
- Appraised Value: \$500,000 - \$600,000

534 Ballwin Commons (Not For Sale)

- Size: 1.85 acre
- Appraised Value: \$466,000

Impact to Vlasis Park – Vlasis Park Master Plan

- Vlasis Park Master Plan done in 2021
 - New PW office along Park Drive
 - Approx. 50-50 split of old police station property
 - Circle drive remains
 - Nature play area along Park Drive

Figure 102: Proposed Public Works Facility upgrades

Impact to Vlasis Park

- Former Police Station size: Approx. 1.9 acres
- Proposed split:
 - .5 acres for Parks Maintenance
 - 1.4 acres converted to green space or park use
 - Equates to a roughly 73-27 split
- Additional parking area returned to green space: Approx. .16 acres
- Total green space/park use addition: 1.56 acres
- Area used by the new Government Center: Approx. .6 acres
- NET change to functional park space in Vlasis Park after completion of all City facility construction/renovation is an addition of approximately .96 acres

Figure 102: Proposed Public Works Facility upgrades
