From Your Mayor

As we step into the heart of winter and embrace the promise of a new year, I hope your 2025 has been off to a prosperous and healthy start. It is a privilege to serve as your mayor, and I am continually inspired by the way our city comes together to create a place where everyone feels welcome and at home.

As part of our ongoing commitment to making Ballwin a better place for all to enjoy, I'm thrilled to announce the opening

of a brand-new playground in Vlasis Park. This new space will offer children and families a wonderful place to play, connect, and create lasting memories. We encourage you to visit and take advantage of the new and awesome features, which you can read more about on page 12.

We have a lot in store for 2025, including opening the new splash pad at Vlasis Park, a reconfiguration of the Public Works yard, and resurfacing of Ries Road, just to name a few projects. To see more of what's included in the 2025 budget, you can check out page 8.

We have a long list of fantastic Parks & Recreation programming that's coming up these next few months as well, so you're sure to find a class or program that fits you or your family's interests! We have them all listed by category starting on page 16.

I hope you take advantage of the warming weather over the next few months and get out and enjoy one of our beautiful parks or take a walk on our miles and miles of sidewalks and trails!

Have a happy Spring!

Tim Pogue

Searching for Ballwin's History

Sometimes, what you're looking for is 'hiding in plain sight'. That was certainly the case with the Harrison-Schmidt-Dahlke log home. In 1990, when members of the Ballwin Historical Commission were talking about how nice it would be to have one of the original log homes that had been in this area, Verna Dahlke Arnold said, "Oh, I grew up in one of them. It's still there!" Over the course of time, the home had been covered with siding on the outside and paneling on the inside. Through the joint efforts of the City of Ballwin and the Ballwin Historical Commission, the home was moved log-by-log from its original location near the current Countryside Creek gazebo to where it is now located at the corner of Park Drive and Holloway Road.

Cookie cravings? Want a morning pick-me-up? You're in luck! Three new businesses are now open in Ballwin: Crave Cookies, Dirty Dough Cookies, and Dunkin'. And Mi Lupita, a Ballwin favorite, has moved into a new spot!

Crave Cookies just opened their doors at the end of 2024 at 14430 Clayton Road. Stop in for a gourmet cookie, with flavors changing weekly!

Dirty Dough also opened their doors at the end of 2024 at 14844 Manchester Road. Their stuffed cookies change weekly, so stop in!

Dunkin' opened their doors at the end of 2024 at 14924 Manchester Road. The coffee and donut chain now has a convenient Ballwin location!

Mi Lupita has long been one of Ballwin residents favorite restaurants, and now they have a new bigger location! Check them out at 100 N. Holloway Road.

April 8, 2025 Municipal Election

I am pleased to present the City of Ballwin's 2025 Budget. The budget serves as the City's fiscal plan from January 1, 2025 – December 31, 2025. It includes our goals, objectives, and future financial projections. I've included graphs that show the City of Ballwin's projected revenues and expenditures. To view the budget in its entirety, please visit our Budgets page on the City's website. We are committed to making the budgeting process as open and transparent as possible, so please reach out to the City directly if you have any additional questions or concerns.

-Denise Keller,
Finance Officer

Total revenues equal \$30,205,906. Major revenues for the City of Ballwin include sales taxes, public utility licenses, and community programs. The City has \$0 property tax, so it is reliant on the categories included in the chart below. This year there is also a transfer in of accumulated fund balance amounting to \$3.4 million.

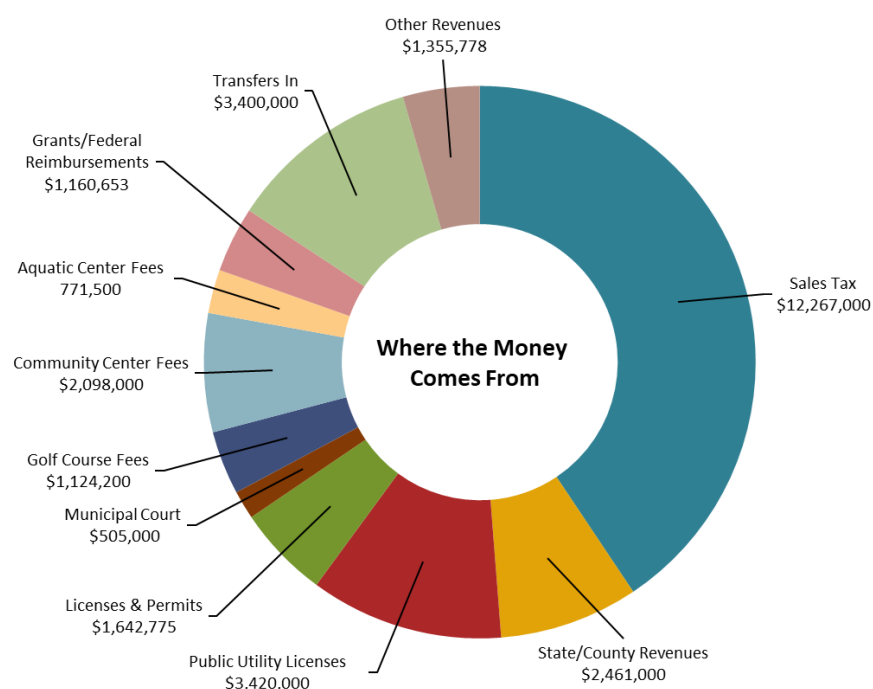

SALES TAXES represent \$12.3 million or 46% of General and Capital Fund revenues. Ballwin consumers pay a sales tax rate of 8.738% of which .5% is for Capital Improvements, .5% is for Public Safety and .5% is for Parks. An additional 1.0% is distributed from St. Louis County. These revenues are highly variable depending on economic conditions.

PUBLIC UTILITY LICENSES represent \$3.4 million or 13% of General and Capital Fund revenues. A gross receipts tax is paid by both public and private utility companies doing business in Ballwin for use of the public right-of-way and is based on operating revenues. These companies generally pass the tax on to their customers.

COMMUNITY PROGRAMS represent \$4.1 million or 15% of General and Capital Fund revenues. Memberships and fees from Ballwin's community center, golf course and outdoor water park generate these revenues. Additional sources include special programs such as race events, community festivals and facility rentals.

Where the Money Comes From	
Sales Tax	\$12,267,000
State/County Revenues	\$2,461,000
Public Utility Licenses	\$3,420,000

Grants/Federal Reimbursements	\$1,160,653
Transfers In	\$3,400,000
Other Revenues*	\$1,355,778
Total	\$30,205,906

*includes investment income, police services, other recreation services

Total expenditures equal \$30,360,270. Police, Public Works, and Capital Improvements make up a significant portion of the City of Ballwin's 2025 Budget.

POLICE represents 29% of the General Fund. Included is the replacement of 4 patrol vehicles, replacement of portable radios, and lease payments for tasers and a cloud based video recording system for officers (body worn cameras) and patrol vehicles.

PUBLIC WORKS represents 23% of the General Fund and includes road resurfacing, sidewalk repairs and snow and leaf removal. Trimming and removal of trees in the right-of-way is also performed.

CAPITAL IMPROVEMENTS total \$5.5 million and represent all expenditures for the Capital Fund. Construction of a new playground at The Pointe, resurfacing of Ries Road and construction work for reconfiguration of the Public Works yard are all planned.

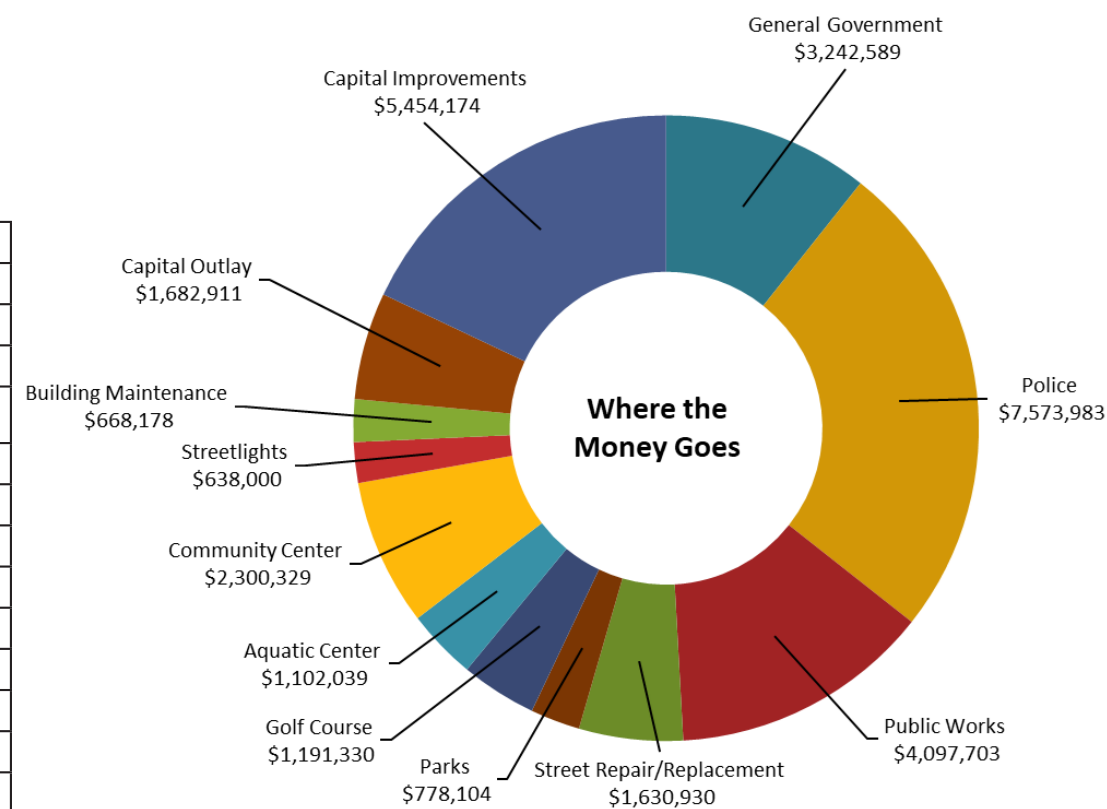

Last year, the City of Ballwin was presented with a Distinguished Budget Presentation Award from the Government Finance Officers Association (GFOA) for the 2024 budget. This is the ninth consecutive award for the City. This award certifies Ballwin's budget documents were of the highest quality and rated proficient in serving as: a policy document, a financial plan, an operations guide and a communications device.

The City of Ballwin's budget document consists of its primary General Fund, a Capital Improvements Fund, and several minor funds including a Sewer Lateral Fund, TDD Fund, and a Federal Asset Seizure Fund. In late summer, each department drafts an estimate of projects and their expenses to present to the Board of Aldermen for consideration, which they then work to solidify and prioritize the remainder of the year.

To view the complete 2025 Budget, as well as prior years budgets, use the QR code below or visit ballwin.mo.us/Budgets/. Here, you will see the full breakdown of the 2025 budget, including the revenues and expenditures for each individual department.

Chief's Corner

A question I frequently receive is, why does it take so long to solve a real crime when my favorite TV show is able to do it within an hour? Our Police Officers and Detectives are highly trained and motivated to solve the crimes that occur within our city. We have officers who are fully trained crime scene technicians. They are able to photograph a scene, collect physical evidence and process it for latent evidence (fingerprints, DNA, etc.). This speeds up the process so that perishable evidence is not destroyed while waiting for a detective to respond to a scene. Latent fingerprint and DNA evidence are submitted to regional crime laboratories

for processing and to check to see if a possible suspect is already in the database. Due to the large amount of items submitted for processing, the laboratories prioritize the evidence by the severity of the crime. Evidence from a homicide scene goes to the front of the line, while items seized from a theft from a car may take a long time to be analyzed. If a suspect has never been fingerprinted, or had their DNA collected, it may take a while for a match to be made with the evidence. Crime laboratories have notified us over a year after evidence has been submitted, that they matched a subject who was recently fingerprinted, or had their DNA collected, for a different crime.

Technology is playing a larger role in crime fighting and our detectives are staying at the forefront. When a serious crime occurs, our detectives are able to ask the courts to subpoena cell phone companies for their records to find out who was in the immediate vicinity of the crime scene when it occurred. This sometimes takes time to get the subpoena/search warrant and for the phone companies to respond to the request. The detectives have to then sift through the data to try to find a person of interest. When we identify a subject of interest, the detectives may ask the courts to issue a search warrant to examine the person's electronic devices. Depending on the device, it may take months for a laboratory to examine the evidence contained on the cell phone or tablet. We are also able to examine the data kept on a vehicle's infotainment system and/or event data recorder (blackbox) if a known vehicle was used in a crime or serious crash. Home and business surveillance cameras also are used as a great crime fighting tool. Our detectives will do an area canvas to identify all of the possible cameras that may have captured all or part of a crime.

Technology has given us additional tools to use in our job, but most of the time it is the old fashion methods that solve the crime. Detectives go out and interview witnesses, victims and possible suspects. They examine the evidence left at the scene. The detectives have to piece the puzzle together to show prosecutors, the courts, and sometimes a jury, why a certain person committed a crime. The detectives also have a responsibility to rule a person out as a suspect if the evidence is indicating they did not commit the crime. All of these steps take time and are not able to be done within an hour.

- Chief John Bergfeld

Register Your Security/Doorbell Camera

Do you know you can register your security camera or video doorbell with The Ballwin Police Department? Security cameras not only provide a little relief for a home owner, giving the ability to see and record what goes on their property, but those cameras can also help the Ballwin Police Department solve crimes, helping keep your neighborhood or business safe.

In many cases, crimes require dozens of hours of investigating and canvassing neighborhoods and businesses. Detectives can utilize those cameras to track the trail a suspect traveled in order to commit a crime, get clear pictures of getaway cars, or even see direct evidence of crimes that have occurred.

Registering your camera with the Ballwin Police Department does NOT give us direct access to your camera. It simply lets us know there's a camera present at that address. So if a crime were to occur in your neighborhood or at your business, we know we can contact you to ask for footage. We cannot get the footage without your permission or a subpoena from the courts.

With many homes adding security cameras and with residents moving in and out of the City, we've made it easy to let us know you have cameras at your residence. We've created a registration form on the city's website. If you are interested in registering, please see the QR code above.

The Vlasis Park Playground is now officially open!

The new playground includes lots of new play pieces and slides, and features:

- A new and improved big kid area
- ADA accessible bridge tying into a ramp on the hillside

- A new toddler area with an ADA accessible ramp
- A new swing set including swings for different types of abilities

- A new accessible spinner play piece designed to accommodate wheelchairs
- A new sensory area featuring various smaller play pieces for kids of different ages and abilities

- An improved and reopened Splash Pad area
- A new hillside slide area
- A new hillside climbing area

Landscaping has been redone throughout the playground area, and more sidewalks will be added in the Spring.

The splash pad will be opened when the weather gets warmer, and an official ribbon cutting will be held at that time to celebrate the new playground.

The project was made possible by two Municipal Park Grants awarded to the City.

We hope you enjoy the new playground!
