

New Resident Guide

Welcome to Ballwin

Dear Ballwin Resident,

Welcome! We're so excited to have you join our community. Ballwin is home to countless businesses, amenities, schools, churches, restaurants, and now... you!

To help you get acquainted with our city and answer some questions you may have, we've put together this welcome guide. This guide gives you a snapshot of each of our departments and facilities, but it is far from exhaustive. If you have further questions, please do not hesitate to contact us or visit our website at www.ballwin.mo.us.

Ballwin has consistently been named one of the best places to live. Ballwin was named One of America's Best Places to Live by Money Magazine several times; one of the top ten Safest Cities in Missouri by the National Council for Home Safety and Security, Safewise, Homesnacks and Niche; among the top ten Suburbs in the St. Louis region according to WalletHub; the top ten Best Places to Raise a Family in Missouri by Niche; One of the Best Cities to Live in Missouri by the Chamber of Commerce; one of the Best Places to Live in the Midwest by Kearney Hub; and ranked in the 86th percentile for Best Small Cities in America.

Connect with us and let us know how your transition is going and how we can meet your needs as a valued resident. We hope you enjoy living the #BallwinLife.

Our History

Ballwin is a unique name for a city. In fact, it is the only city in the United States with its spelling! The City was founded by John Ball, son of James Ball and Mary Bray Ball of Virginia and Kentucky.

Around 1797 or 1798, John Ball moved to the West St. Louis County area, possibly at the same time as the Daniel Boone party moved to and settled in the St. Charles and Warren County areas. Records now preserved in Jefferson City show the transfer of title of about 400 acres of land along Grande Glaize Creek to John Ball in February, 1800. This is the first official record of John Ball in the West County area.

In 1826, Missouri moved its capital to Jefferson City. Soon, there was a need for an overland mail route between St. Louis and the new capital. As luck would have it, this new road was established along a route that passed by John Ball's property. After the road, known at times as Jefferson Road, Market Road, and Manchester Road, became established, John Ball decided to capitalize on the accessibility it provided for his property and laid out a town. Although initially recorded with a different name, Ball amended the recorded plat to be named Ballwin on February 9, 1837.

In the years that followed, Ballwin has grown from the town Ball knew, with only a few homes and businesses, to a small village of 750 people when it was incorporated on December 29, 1950, to a thriving city of over 30,000 today. John Ball's vision of Ballwin as the leading city in the West County area has been realized. If you would like to learn more about John Ball and other stories of Ballwin's past, please contact the Ballwin Historical Commission at history@ballwin.mo.us. Ballwin history books may be purchased at The Pointe at Ballwin Commons.

Elected Officials

The City of Ballwin's governing body includes a Mayor and eight Aldermen, all of whom serve two-year terms. The Mayor is elected at large, and two Aldermen are elected from each of the City's four wards.

City Services

Snow Removal

The Ballwin Public Works Department tries to make winter a bit more manageable by handling snow removal in the City. Crews treat the streets just before snow or freezing rain begin. Once a snow emergency occurs, crews work around the clock to clear the roadways. It's important to note, not all streets in Ballwin are maintained by Ballwin crews (Manchester Rd. is maintained by the Missouri Department of Transportation). To prepare for winter weather, please read Section 15-266 in our Code of Ordinances which covers vehicles on City streets during a snow emergency.

Leaf Collection

Every fall, our Public Works crews begin our curbside Leaf Collection program, which provides a convenient way for residents to dispose of their leaves. More information on our Leaf Collection program can be found at www.ballwin.mo.us/Curbside-Leaf-Collection/.

Tree Planting Program

The City of Ballwin is pleased to offer a cost-share program to encourage the planting of trees in our neighborhoods to provide beauty and environmental benefits. You may apply to the City for up to a \$100 reimbursement after planting a tree, provided the area and the tree meet the appropriate criteria. More information can be found at www.ballwin.mo.us/Tree-Planting-Program/.

Road Repairs

If you notice potholes, tripping hazards, or other street problems, please report them to our Public Works Department using the Report an Issue feature on our website at www.ballwin.mo.us/Report-An-Issue/. You can also use this feature to report a code violation, street tree issue, or a tip to the police.

Community Programs & Events

The Ballwin Parks & Recreation Department hosts hundreds of community events every year. Some of our fan favorites include Ballwin Days, Easter Egg Hunt, Tons of Trucks, Dirty Spokes Mountain Bike Race, Daddy Daughter Dance, Conquer Castlewood, Craft Beer Festival, Family Hayride, Moonlight Howl 5k, and the Turkey Bowl Golf Scramble. The department also has several programs offered throughout the year, such as our summer camps, golf leagues, and indoor and outdoor swim lessons. You can view the calendar of upcoming events at any time by visiting our website and clicking the Events Tab.

Shop Ballwin First

The City of Ballwin has partnered with several businesses in our community to provide our Shop Ballwin First program. Participating businesses provide a special discount which is only available to Ballwin residents. All you need is a current Resident ID to take advantage of these awesome deals. To get a Resident ID, bring an unpaid gas, water, electric, or sewer bill to The Pointe at Ballwin Commons (\$5 for card, \$1 for yearly renewal).

Resident Information

Property & Real Estate Taxes

The City's property tax rate for citizens has been rolled back to \$0 since 1987, leaving City services being financed primarily by sales taxes, utility gross receipts taxes, and recreational revenues. However, a real estate tax is collected by St. Louis County, the area school districts, and other agencies. For more information on taxes, contact our Finance Department at (636) 227-9000.

Trash, Recycling and Yard Waste

The City of Ballwin does not provide trash collection services. Instead, we contract with an independent collection service, Republic Services. General trash, yardwaste, and recycling guidelines can be found on the City's website at www.ballwin.mo.us/Trash-Pick-up-and-Recycling/. However, for the most current and accurate information, you should contact Republic Services directly (see page 5) with questions or comments regarding their service.

Utilities

Residents may set up utilities with any company who provides the respective service. The City of Ballwin does not control any of the water, electricity, gas, or sewage services and their inclusion in this guide is meant as a resource, not an endorsement. Contact information for Ameren Electric, Missouri American Water, Spire Gas, and Metropolitan Sewer District can be found on page 5.

Communication

Ballwin Police

The men and women of the Ballwin Police Department work every day to ensure that Ballwin is a wonderful place to live, work, and play. Our Officers, Dispatchers, and Civilian Staff are always looking for new ways to make our operation more effective and efficient. We pride ourselves on being a strong partner to many community organizations in an effort to keep Ballwin one of the safest communities in the St. Louis area.

We are always wanting to hear from you. If you have any questions or would like to speak with me personally, I can be reached by phone at (636) 227-2351 or via email at jbergfeld@ballwin.mo.us.

Sincerely,
John Bergfeld
Chief of Police

Services and Programs

Vacation Checks - Heading out of town for a short or long trip? Are you looking for a little extra peace of mind while you are gone? Your Ballwin Police Department can help you out! We offer a Vacation Check service. By completing a simple form online or in person at the police station, our department will be notified of your absence. During this time, the officer assigned to the area of your home will make sure to keep a close watch on your address. During this process, you can provide us with important information, such as who will have access to your home while you are away and your contact information (should we need to contact you about your residence). We do not need to know where you are going because it will only make us jealous... To view the form visit www.ballwin.mo.us/vacationcheck or contact us at (636) 227-9636 with any questions.

Citizens Academy - Participants in this program will receive instruction on patrol techniques, traffic enforcement, accident investigation, crime scene processing, police communications, and more. Continue to check the website and Ballwin Police Department social media pages for the next start date.

Caring Partners Program - Once each day, residents registered for the Caring Partners Program will receive a telephone call ensuring they are OK. If the call is not answered, an officer will be dispatched to the house to ensure everything is okay. Residents can sign up for this program by contacting the Ballwin Police Department's Community Affairs Unit at (636) 227-9636.

Other Information

Please contact us for questions, reporting, or to acquire more information about any of the following topics: Neighborhood Watch, Solicitation Permits, Bicycle Registration, Archery Deer Hunting, Tours, National Night Out, Explorer Program Post, Safety Tips, and more.

Code Enforcement

The Code Enforcement Division is responsible for protecting your health and safety, maintaining your city, neighborhood, and your home, assuring the long-term value of your investment, and the viability of our community.

Permits

Permits are required for many construction projects, including, but not limited to, tool sheds, fences, decks, and swimming pools. To learn more and obtain these permits, please visit the Document Center section on our website.

Housing Inspections/Occupancy Permits

All commercial properties and dwelling units must be inspected and certified for compliance before they can be sold or rented. New occupants are required to obtain an Occupancy Permit.

Property Maintenance

City code prohibits the accumulation of trash and growth of vegetation over six inches in height.

Sewer Lateral Repair Program

Residential homes in Ballwin are enrolled in a sewer lateral insurance program available through the City. A sewer lateral is the pipe that carries household waste to the Metropolitan Sewer District (MSD) sewer main. Information on the Sewer Lateral Repair Program can be found on the City's website at www.ballwin.mo.us/Sewer-Lateral-Repair-Program/.

Contact Us

If you have further questions about code enforcement, the Ballwin Housing Code, permits, or inspections, please contact the Code Enforcement Department at (636) 227-2129. Ballwin's complete Code of Ordinances is also available for your reference at library.municode.com/mo/ballwin/codes/code_of_ordinances.
