TEEN TALK...

Parenting a teen is not easy, neither is being a camp counselor for teen camp. We offer multiple activities, games, and crafts for your camper to participate in during the day. But most teens just want to hang with their friends and play on their phone. Motivating your teen to participate is the most difficult task for our Teen Counselors. Regardless of their resistance we still try to engage with them. With that being said, we will not force a teen camper to participate in an activity they refuse to do. They may choose not to have fun.
